

Program of Work 2021-2022

#### Purpose of the Program of Activities

The Santa Maria FFA Program of Activities, or POA, was developed to explain the purpose of the FFA Organization, and to serve as a guide for our FFA Members in the coming school year. The Program of Activities contains information about Chapter Officers & Advisors, other Local Representation, our FFA Chapter's Constitution & Bylaws, FFA Chapter Applications, FFA Degree attainment, Leadership Conferences, and much more. All documents found within this POA will help members in their journey towards success. If you have any questions about any of the information in the Program of Activities, please contact Santa Maria FFA Chapter Vice President, Eric Ceja. Thank you and have a great year!

#### Accessing the Program of Activities

Having easy access to the Program of Activities is essential to the success of our FFA members. Although a limited number of copies will be available in print, the Program of Activities can also be accessed on the Santa Maria FFA Chapter Website at <a href="www.saintsffa.org">www.saintsffa.org</a>. A full PDF Document may be downloaded or printed from the site.

#### President's Message

Bienvenidos Saints! In 1931, Santa Maria FFA was planted as its 1st year in National FFA Organization. Since then, it's begun its adventure blossoming to become a Chapter with values of hard work, humbleness, and ingenuity. Presently in 2022, we are joyful to be celebrating 91 years as an organization devoted to those same values. As we follow the FFA Vision of "providing the next generation of leaders who will change the world" Santa Maria FFA, is proud to say that we currently have 1,100 FFA members in the creation of making that vision reality. This year Santa Maria FFA was named the Outstanding Agricultural Program in the state of California out of 339 other programs. Behind this accomplishment, have been our 10 unique Agricultural teachers who have advised us in each path we take. They have believed in every single one of our members and have shown us that whatever we put our minds to, we can achieve. This year, we were challenged with the transition from on-screen to in-person. Though as we came back to school, it was as though nothing had changed for our FFA students. We have had spectacular involvement within our chapter and community. We are proud to say that we have currently achieved over 1,200 hours of community service as a Chapter. Being in the presence of a pandemic has been difficult as we were thrown with many barriers but we are happy to say that through hard work we have been able to continue to excel through them.

This school year our theme is SIN MIEDO! With a 98% Hispanic school population, we decided to establish our first Spanish theme to have representation in our High School's cultural background! Being in the chaos of a pandemic, we knew many of our students would come into the school year with many doubts and fears. That is why our theme SIN MIEDO, is perfect because of its encouragement for students to be fearless in all situations they come across. As we make our way through this challenging school year, I would like to remind you to just go one day at a time. We hope that you believe in yourselves SIN MIEDO!

Veronica Garcia De Leon Santa Maria FFA Chapter President

#### Santa Maria FFA Chapter Officer Team

#### President - Veronica Garcia De Leon

Hey Saints! It's me! Veronica Garcia, serving as your 2021-2022 Santa Maria FFA Chapter President! I'm so excited to kick off this school year together as we begin to transition from online to in person! This will be my 4th year in FFA! I chose FFA because it was a way for me to learn my science courses with hands- on activities! Throughout my time here, I've been able to compete in public speaking events, raise market lambs, travel throughout California and have found a family where I can laugh and have tons of fun! Outside of the blue and gold jacket, I love doing community service! I'm part of Key Club and serve as their vice president! I'm also part of Close- Up Washington DC and serve as their Secretary. Within my family, I love being outside and traveling. I love being around nature! This year will be incredibly amazing! I can't wait to meet you all and create memories that will last a lifetime and remember to keep going sin miedo!

#### Vice President - Eric Ceja

Hey guys! My name is Eric Ceja and I'm your 2021-2022 Vice-President. I've been in in this wonderful program for four years. While my time in FFA, I've been involved in numerous events and community service activities such as thrive, Altrusa, State conferences such as MFE and ALA. I have also been in my chapter's vet science judging team for two years. I am also the committee chairman for the food committee. While being in this program, I have gotten the opportunity to raise 3 market hogs and my first year I placed 1st in my breed's weight class. Outside of FFA, I like being outdoors, whether its fishing, hunting, or growing plants. I chose FFA since I have always loved animals and had a passion for them and plants. FFA has shown me responsibility, leadership skills, has given me endless opportunities to meet new people and have hands on experience. I highly encourage all of you guys to get involved in our chapter whether it's helping out in our next FFA meeting or simply being in a speaking or judging team.

#### Secretary – Zaira Hernandez Bazan

What's up Santa Maria FFA! My name is Zaira Hernandez and I am serving as your 2021-2022 Chapter Secretary. Coming from a family of farmers, AG is something that I've always been surrounded with and that's why I embrace AGRICULTURE. I am currently a senior in high school and this will be my fourth year being a part of this amazing organization. I've had the opportunity to participate in various FFA activities such as serving my community/chapter, being a state delegate, attending leadership conferences, participating in speaking contests, and raising livestock for the SBCF; all while having fun and making new friends. When I am not in my blue jacket, I love going out and making new memories with loved ones. As we faze out of the lockdown and back to reality, I hope to see you at our FFA events.

#### **Treasurer – Juventino Ramirez Espinosa**

Hello everyone! My name is Juventino Ramirez and I will be serving as your 2021-2022 Chapter Treasurer. I am currently a junior and have been involved in FFA since my freshman year. Since then, I have joined the Farm Power and Light Horse Judging teams, constructed a metal project for the Santa Barbara County fair, and have found an affinity for metalworking and mechanics. What drew me to metalworking was my strong desire to create and understand. This led me to discover other branches of Ag and I have been exploring as much as possible since then. I am excited to serve you this year and I hope we can all share the desire to create and understand the world around us!

#### Reporter - Manuel Gomez Garcia

Hello Santa Maria FFA, It is a great pleasure to introduce myself to you all. My name is Manuel Gomez and I will be serving as your 2021-2022 Chapter Reporter. I enjoy playing many different sports and love to read. I choose to join FFA because I loved animals and because I felt welcomed when I first walked into my first ag class. In the I joined many speaking contest includina Parliamentary Procedure, Parliamentary Procedure allowed me to get out of my shell and embrace myself. My goal for this year is to strive and become an FFA officer that will lead this chapter to a successful future. If I have anything to say to the chapter I would say to get involved and enjoy what this FFA chapter has to offer. Welcome to the Santa Maria FFA chapter!!

#### Sentinel – Ayari Portillo

Hi, my name is Ayari Portillo I am 15 years old and currently a sophomore. I am currently serving as the 2021-2022 Chapter Sentinel. This is my second year in the FFA program so far, I have raised a market lamb, joined the land evaluation judging team, and participated in the creed speaking contest among many other things just in my freshman year. I joined FFA because I wanted to be more involved with my school and make more friends and just have fun. The friends I have made this year will probably stay with me for a very long time. I have made so many amazing memories and can't wait to make more. Safe to say joining FFA was the best decision of my life so far.

#### Community Service Chair - Angela Acevedo Aguilar

Hey Saints! My name is Angela Acevedo and I will be serving as one of your Community Service Committee Chair. I am a senior and a 4th year FFA member. Throughout my experience I have had the opportunity to participate in a range of activities from doing opening/closing ceremonies for public speaking to raising market goats at the SBCF and have had advisors pushing me past limits I thought weren't possible. Besides AG ľm also involved in extracurriculars like volleyball and Spanish Honors Society. My favorite thing to do is buying unnecessary items from Amazon and outside of school you can catch me napping or watching anime. I'm very excited to see what this year holds and let's move forward together, Sin Miedo!

#### **Community Service Chair – Maria Pacheco**

Hello Santa Maria FFA! My name is Maria Pacheco, I am currently a senior and this is my fourth year of being involved in this great organization. This year I am serving as one of your Community Service Committee Chairs for the 2021-2022 school year. I have had the opportunity to contribute to several community service events and I am very delighted to get you amazing FFA members involved to help out the community! I have also been involved in vegetable judging team, public speaking competitions, monthly meetings and last but not least I have been raising a lamb for the Santa Barbara county fair for the past three years. Outside of FFA I'm also involved in other clubs and going into my fourth year of being part of the SMHS Girls Volleyball team. Cant wait to meet all of you guys and be able to interact with you guys!

#### Agriculture Literacy Chair - Idalis Gil

What's up Santa Maria FFA, my name is Idalis Gil and I'm super excited to be serving as one of your Agriculture Literacy Committee Chairs this year. As this will be my 4th year in FFA, I have had the privilege to get involved in many ways, including leadership conferences, community service events, raising a lamb for the Santa Barbara County Fair and being apart of the vegetable crop judging team. Aside from FFA, I enjoy playing my instrument, the tuba, in the school band. This year, I've been able to have the honor to be one of the head drum majors and conduct the band. I also love hanging out with my dog named Friday. Once again, I am so excited to be serving you this year and can't wait to make memories that will last a lifetime!

#### **Agriculture Literacy Chair – Jhoana Hernandez**

Hi, my name is Jhoana Hernandez. This year, I will be severing as one of your Agriculture Literacy Committee Chairs. During my time in FFA so far, I have been in the Opening and Closing Informed Greenhand. ceremonies. **Best Parliamentary** Procedure, and the Horse Judging team. Entering my sophomore year, I plan to be involved this year as much as I was last year. If able to, I would like to be involved more. My plan for this year is to try and get as many people as I can involved in FFA. During my time outside of school and FFA, I like to spend time with my friends, reading, listening to music, and dancing. If it wasn't for one of my friends that encouraged me into joining FFA, I wouldn't have had all the opportunities and memories I have right now! I hope this year, I can help impact people's life just the same way mine was. I am so excited for the school year to start and for all of you to see all the things we have planned for FFA!

#### Retention & Recruitment Chair - Maria Aguirre

How's it going Santa Maria FFA? My name is Maria Aguirre and this is my third year being involved in FFA. This year I am serving as one of your 2021-2022 Recruitment and Retention Committee Chairs. Over my past three years of being involved in FFA I have joined the Soils and Land Evaluation judging team as well as the Agronomy judging team. What drove me into choosing the agricultural pathway was all the opportunities that are presented to us and the hands-on experience FFA brings to you. Also Mr. DeBernardi who never stopped encouraging me and helped me strive forward since my freshman year. Besides that I have developed a love and passion for plants and planting you can catch me at any planting event at the CTE center or in the garden we started behind the shop. I also enjoy cuddling my kitty who's name is Cooky. I am excited to see what the future holds for us and what we will accomplish as a chapter.

#### Recruitment & Retention Chair - Lorena Velarde Lucas

Hey Santa Maria FFA! My name is Lorena Velarde and I am serving as one of your 2021-2022 Recruitment and Retention Committee Chairs. I am currently a sophomore this year. Last year I got involved in public speaking contests like Opening and Closing Ceremonies and The FFA Creed. I wasn't always confident when speaking to others, but by doing the Creed contest, and with the help of our supportive Advisors, I was able to overcome my fears. I have truly embraced myself. I also joined the Agronomy Judging Team. Agronomy was a challenge, but I will never regret being a part of it. Practices were always fun, and for the most part my team was great. That's also where I got to meet one of my closest friends I have to this day. FFA will always bring something positive to your life no matter what it is and how much or how little you were involved. Last year wasn't the best year for most of us, so my hope is for this year is for it to be memorable for all of us!

#### Facilites & Maintenance Chair – Carlos Nunez Jaquinde

Hello my name is Carlos Nunez and I am 16 years old. I am a Junior at Santa Maria High School, and am currently serving as one of your Facilities & Maintenance Committee Chairs. This is my third year enrolled in the Santa Maria FFA program. Throughout these past three years, I've been super involved in the ag shop working on projects. From doing oxy fuel cutting, to plasma cutting, welding, wood working, etc.. I enjoy the fact that I can turn something old and ugly into something new and cool. Aside from the shop, I've been in FFA's Farm power team for two years and we are ready for our next year. Next year we hope to win First in the State. This upcoming year I will be serving as the Sentinel for the Santa Barbara Section Team and a Committee Chair for Santa Maria Chapter. I've raised market hogs for the past 2 years and I hope to raise another pig and cattle in the future. It's been a fun and great learning experience. The reason I chose Ag was because I wanted to meet people all over California and travel as well!! I hope to see all of you guys helping or attending the meetings!!

#### Facilities & Maintenance Chair - Heriberto Mendez

Hello Santa Maria FFA! My name is Heriberto Mendez and I am serving as one of your Facilities and Maintenance Committee Chairs. I got involved in FFA when I joined the Horse Judging Team, and ever since I joined then, I started to get more involved. My agriculture teachers gave me the opportunity to raise a sheep and it was an amazing experience. FFA helped me a lot. I was able to raise my grades from c's and d's to having straight A's. When I went to my first FFA meeting I told myself that one day I would be an officer or a committee chair member. I knew that to get there it was going to take a lot of work. With everything going on last year, I started to lose hope and I didn't picture myself being part of FFA anymore, but with the help of my teachers and family I started to get motivated again. Especially when I was invited to the State FFA Leadership Conference. Even though it was through Zoom last year, it was an amazing experience. I can't imagine doing anything else.

#### Social Media & Web Page Chair - Melissa Lua Duarte

Hey there Santa Maria Saints! Let me start off by introducing myself. My name is Melissa Lua-Duarte and I will be serving as your Social Media and Webpage Committee Chair for this year! This will be my second year in FFA and I was involved in various activities last year. I participated in the opening and closing ceremony, the Creed Speaking Competition and Parliamentary Procedure. When doing these competitions, not only did I make many friends and had a blast, I learned public speaking skills that I know will stick with me through life. As for why I joined FFA, I've always had a love for animals, and I knew that being in FFA would help me explore that and bring me many opportunities and skills! Being a sophomore this year, I know I will continue to be involved in FFA as much as possible and I encourage all new and existing members to do the same! No matter what your interests may be, there is a place for you in FFA. I hope to see all of you getting involved!!

#### **Publicity Chair – Nirvana Humbert**

Hello, my name is Nirvana Humbert. I am currently your Publicity Committee Chair. I am in charge of making sure that all of our newsletters go out and that we advertise our FFA meetings and other events going on. I have done Parliamentary Procedure, and our team won first place for the regional novice competition. Hopefully my sophomore year I will be able to be more involved in our FFA chapter. I still plan to do Parliamentary Procedure and when other opportunities come up, I would like to give it a try. I also plan on doing impromptu for this year. I hope that I am able to help any of those that would like to be more involved or even get into FFA through all of my available resources.

#### Advisor's Message

The Santa Maria FFA chapter was established in 1931. Being one of the largest chapters in our area, Santa Maria FFA is home to over 900 student members. Through the curriculum offered in the Agricultural Department at Santa Maria High School, students are challenged and taught real life skills in classes such as Agricultural Chemistry, Leadership, Agricultural Mechanics, Welding, Ornamental Horticulture, Veterinary Science and Floral Design.

Our FFA members strive to demonstrate premier leadership through their involvement in numerous activities at the local, state, and national level. Our students participate in public speaking, parliamentary procedure and job interview contests, as well as leadership conferences for all grade levels.

Community service is one way our students become involved and develop their **personal growth.** Throughout the year students donate their time and help with such community service events as Healthy Pantry/Thrive, Altrusa Trees, Salvation Army, Educational Petting Zoos and Posting of the Flags at the Cemetery for Memorial Day. This allows students to gain a sense of pride by helping others.

Our students put their learning to the test by participating in Career Development Events or CDE's. Through long hours and dedication, our students have demonstrated their potential for **career success** by winning State and National Championships. In 2015, the Santa Maria FFA Milk Quality & Dairy Products Team placed first in the State of California and went on to win the National Contest, earning the first National title for our school. In 2019, our FFA Chapter had two more teams compete in the National Contest after winning the State Finals Competition. That year our Milk Quality & Dairy Products Team was third in the Nation, and our Poultry Team was 8<sup>th</sup>.

Our students exemplify the FFA Motto of "Learning to Do, Doing to Learn, Earning to Live, and Living to Serve" in their daily interactions with their peers, teachers, projects, and our community. We are proud of our students and all they have accomplished and continue to do to make the Santa Maria Chapter a huge success. Welcome to membership!

#### Marc DeBernardi

has been a Saint all his life; well maybe not completely, but certainly when it comes to school pride and the competitive spirit that all fellow SMHS Saints have. DeBo graduated from SMHS in 1990 and he has been a teacher here for over 25 years. In Mr. DeBernardi's spare time, he enjoys gardening, refereeing high school basketball and working on his family's farm. He looks forward to meeting new people and having an outstanding FFA year.

#### Luis Guerra

Mr. Guerra grew up going to a small country school here in the Santa Maria Valley. In 1994 he graduated from Cal Poly, San Luis Obispo with a major in Agriculture Business. Mr. Guerra is currently the Ag. Mechanics Instructor and stresses to his students that this is one of the most important classes that a student can be part of in high school. Developing Leadership, citizenship, and a student's self-confidence is his goal for every student. "Teaching here at Santa Maria High School is certainly a pleasure; we have one of the best Agricultural Programs in the state, and definitely some of the finest students. There's something for everyone to learn and enjoy", says Mr. Guerra, "So get Involved."

#### **Clemente Ayon**

A graduate of SMHS and Cal Poly, San Luis Obispo, Mr. Ayon makes school and learning a fun experience. He enjoys working with students and getting them excited about life and agriculture. He is an amazing teacher to have you get a great hands-on experience and travel with him to learn even more about animals! Mr. Ayon is ready to teach the students and he comes equipped with a hardworking attitude!

#### Melissa Flory-Guerra

Mrs. Flory-Guerra is no stranger to the FFA. She was an FFA member in high school where she received the honors of Star Regional Reporter in 1986 and Star State degree in 1987. Mrs. Flory attended Cal Poly, SLO, where she received a B.S. in Agri-Business Marketing in 1991. After working 2 years the agriculture industry, she returned to Cal Poly for her teaching credential and masters. In 2000, she was awarded the CATA Outstanding Young Teacher award. This year at SMHS will be her 26th year of teaching agriculture. Mrs. Flory is excited to be at SMHS where she hopes to make a positive difference in the lives of students.

# The Property of the Property o

#### **Amanda Rodriguez**

Mrs. Rodriguez is a former Santa Maria FFA member and graduate from SMHS. As a student she was very active in the FFA program in which she held multiple Chapter and Sectional Officers, participated in various judging teams, and showed livestock at the Santa Barbara County Fair. Mrs. Rodriguez also earned her American Degree in 2006 while she was attending Cal Poly, SLO. Mrs. Rodriguez, Mrs. Rod, as the most students like to call her, is proud to be working in the Agriculture Department at Santa Maria High School. She believes that the program has something to offer every student and can't wait to see what the new school year will bring.

#### Mark Powell

Mr. Powell is an alumni of Santa Maria High School where he was actively involved in the FFA program. During his time in high school, he was on the Livestock Judging Team, a chapter officer and showed all species of animals. Upon graduation from high school he attended Modesto Junior College and receives and Associated of Science in Crop Science, Fruit Science, and Animal Science, in addition to being on the Livestock Judging Team and the Young Farmers President. From there, Mr. Powell continued his education at Cal Poly State University, San Luis Obispo where he obtained his Bachelors in Agriculture Education along with his teaching credentials and masters in Agriculture Education. Furthermore, while at Cal Poly he was the Collegiate FFA President, on the Livestock Judging Team and the secretary on the Student Consultant Fee Committee. Lastly, Mr. Powell is eager to work with the students of the Santa Maria High School Agriculture.

#### **Shannon Powell**

Mrs. Powell is excited to being the new school year with the Santa Maria FFA chapter and is looking forward to what this year has to offer. She is going into her 10th year in Ag teaching; having taught 3 years at Salinas and her 7th here at Santa Maria High School. Mrs. Powell raised livestock all 4 years while she was in High School. After graduating high school. Mrs. Powell attended California Polytechnic State University, SLO where in 2008 she received her Bachelors in Ag Business and Masters in Agriculture Education in 2013. Mrs. Powell cannot wait to see what holds of the upcoming school year.

#### Sara Araujo

was born and raised in the South Coast Region. She graduated from Righetti High School in 1996 and entered Cal Poly in the same year. While studying hard at Cal Poly, Ms. Araujo also worked hard at a flower shop and at a Crop Production office. Her hard work paid off when she graduated from Cal Poly in 2002 and then received her Teacher Credential the same year. Ms. Araujo has had plenty of experience teaching at Lompoc High School and Golden West High School and she says that her goal is to "Help students gain confidence in themselves and also have them learn the importance of agriculture". Additionally, she also has the hands-on experience as she also worked in the Ag industry for a couple years. We are so lucky to have Mrs. Araujo here at Santa Maria High School FFA and may our years together be awesome.

#### Kimura Yamamoto

Ms. Yamamoto is thrilled to join the Santa Maria High School Team as one of a team of ten Agriculture Teachers. She from Santa Paula, a small agricultural community in Ventura County, CA. She attended Santa Paula High School where she was introduced to agricultural education through FFA and found her passion for raising animals. She received her bachelor's degree in Animal Science and a minor in Biology from Cal Poly, San Luis Obispo. During her undergraduate studies, she was fortunate to study Animal Science for a semester at Massey University in New Zealand. After graduation she lived and worked on a small, urban farm in Goleta, CA. She taught children about sustainable agriculture through afterschool programs and summer camps. The next stop in her journey was alternating between substitute teaching for part of the year and living in Brazil for the rest of the year where she taught English as a Foreign Language. Yamamoto returned to graduate school at Cal Poly and received her teaching credentials and Masters in Agricultural Education. She was placed at Santa Maria High School as a Student Teacher and officially joined the team in 2020. Go Saints FFA!

#### Michael Guerra

Mr. Guerra is a new addition to our 2020 Agriculture Department here at Santa Maria High School. Mr. Guerra received his Bachelor's in Agriculture Education at Fresno State University. He then Student Taught at Kingsburg High School, and Tulare High School Farm. Mr. Guerra teaches Ag Welding, and Ag Biology courses. If you are interested in plants, Mr. Guerra coaches the Fruit Tree Pruning and Agronomy CDE teams! This is Mr. Guerra's first year teaching and is very eager to get to know all the FFA Members. Mr. Guerra encourages you to find what interests you and get involved in FFA! Go Saints!

#### FFA Mission & Strategies

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. To accomplish its mission, FFA:

- Develops competent and assertive agricultural leadership.
- Increases awareness of the global and technological importance of agriculture and its contribution to our well-being.
- Strengthens the confidence of agriculture students in themselves and their work.
- Promotes the intelligent choice and establishment of an agricultural career.
- Encourages achievement in supervised agricultural experience programs.
- Encourages wise management of economic, environmental and human resources of the community.
- Develops interpersonal skills in teamwork, communications, human relations and social interaction.
- Builds character and promotes citizenship, volunteerism and patriotism.
- Promotes cooperation and cooperative attitudes among all people.
- Promotes healthy lifestyles.
- Encourages excellence in scholarship

#### FFA Code of Ethics

FFA members conduct themselves at all times to be a credit to their organization, chapter, school, community and family. As an FFA member, I pledge to:

- Develop my potential for premier leadership, personal growth and career success.
- Make a positive difference in the lives of others.
- Dress neatly and appropriately for the occasion.
- Respecting the rights of others and their property.
- Be courteous, honest and fair with others.
- Communicate in an appropriate, purposeful and positive manner.
- Demonstrating good sportsmanship by being modest in winning and generous in defeat.
- Make myself aware of FFA programs and activities and be an active participant.
- Conduct and value a supervised agricultural experience program.
- Strive to establish and enhance my skills through agricultural education in order to enter a successful career.
- Appreciate and promote diversity in our organization.

#### FFA Motto

The FFA motto gives members twelve short words to live by as they experience the opportunities in the organization. At the Nipomo FFA Chapter, members live out the following words in all of which they do. Whether it be in the classroom, the Supervised Agriculture Experience, FFA Activities, and even outside of the school.

Learning to do, Doing to learn. Earning to live, Living to serve.

#### The FFA Creed

Written By E.M. Tiffany

I believe in the future of agriculture, with a faith born not of words but of deeds - achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so--for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

#### The FFA Emblem

The plow signifies labor and tillage of the soil, the backbone of agriculture and the historic foundation of our country's strength.

The words "Agricultural Education" and "FFA" are emblazoned in the center to signify the combination of learning and leadership necessary for progressive agriculture.

#### FFA Degrees

The FFA is structured into a degree program, which rewards active FFA members for progress in all phases of leadership and occupational development. The national FFA Organization has four of these degrees: Greenhand, Chapter Farmer, State Farmer and American Farmer.

#### **Greenhand Degree**

Greenhand is the first degree in the FFA, and it is given upon entry into a agricultural education course and satisfactory completion of plans for a supervised occupational experience program.

#### **Chapter Degree**

Chapter is the highest degree given at the chapter level. To earn this degree, students must satisfactory complete one semester of instruction in vocational agriculture and must have earned from their own efforts, at least \$150.00 from agricultural production or completed 45 hours of work in their supervised occupational experience programs.

#### **State Degree**

Three percent of the statewide FFA membership earns the State FFA Degree. To qualify, students must be a FFA member for at least three years; demonstrate leadership abilities; and have earned from their own efforts in agricultural production at least \$1,000.00, which they have productively invested or deposited in a bank, and completed 500 hours of work and 20 hours of community service in their supervised occupational experience programs.

#### **American Degree**

American FFA Degree is the highest degree in the FFA and is conferred only on active members. To qualify individuals must have received the State Farmer degree and earned a minimum of \$10,000.00 from agricultural production or in work in their supervised occupational experience programs. They must also be leaders in their communities and have records of all (their agricultural endeavors, and have graduated from high school one year prior)

#### Official FFA Dress

The uniform worn by FFA members at local, state and national functions is called Official Dress. It provides identity and gives a distinctive and recognizable image to the organization and its members. Official Dress has been worn with pride by millions of FFA members since 1933. The official FFA jacket was established by the delegates at the 1933 National FFA Convention. Official Dress standards were created by the delegates at the 1973 national convention and most recently revised by the delegates at the 2016 National FFA Convention & Expo.

Official Dress Guidelines Official Dress for an FFA member includes:

- An official FFA jacket zipped to the top.
- Black slacks and black socks or black skirt and nude nylons (black nylons for National Activities).
- White collared blouse or white collared shirt.
- Official FFA tie or official FFA scarf.
- Black dress shoes with closed heel and toe.
- Note: Official garb of recognized religions may be worn with Official Dress.

#### Proper Use of the FFA Jacket

The blue corduroy jacket is the most recognizable symbol of the organization. As a member, it is one of your responsibilities to ensure its proper use. Specific guidelines are outlined below:

- 1. The jacket is to be worn only by members.
- 2. The jacket should be kept clean and neat.
- 3. The back of the jacket should have only a large official FFA emblem, the name of the state association and the name of the local chapter, region, district or area. The front of the jacket should have only a small official FFA emblem, the name of the individual, one office or honor and the year of that office or honor.
- The jacket should be worn on official occasions with the zipper fastened to the top. The collar should be turned down and the cuffs buttoned.
- The jacket should be worn by members and officers on all official FFA occasions, as well as other occasions where the chapter or state association is represented. It may be worn to school and other appropriate places.
- 6. The jacket should only be worn to places that are appropriate for members to visit.
- School letters and insignia of other organizations should not be attached to or worn on the jacket.
- 8. When the jacket becomes faded and worn, it should be discarded or the emblems and lettering removed.
- 9. The emblems and lettering should be removed if the jacket is given or sold to a non-member.
- 10. A member should act professionally when wearing the official FFA jacket.
- 11. Members should refrain from use of tobacco and alcohol when underage and at all times when representing FFA. In addition, members should exhibit their leadership qualities when they encounter substances including tobacco and alcohol and serve to discourage others from inappropriate behavior.
- 12. All chapter degree, officer and award medals should be worn beneath the name on the right side of the jacket, with the exception of a single State FFA Degree charm or American FFA Degree key. These should be worn above the name or attached to a standard degree chain. No more than three medals should be worn on the jacket. These should represent
  - a. the highest degree earned
  - b. the highest office held
  - c. the highest award earned by the member.

#### How to Order an FFA Jacket

- Log into <a href="https://www.ffa.org/shopffa/Pages/index.html">https://www.ffa.org/shopffa/Pages/index.html</a>
- 2. Select "Official Dress" from the top left drop-down box, then select "MEN" or "WOMEN"

# Section 4: Leadership Development Events

58

#### California FFA Leadership Development Plan

Premier Conferences that every level of Membership should strive for:

#### **State FFA Leadership Convention**

Date: March 2021

Location: Sacramento, California

The state FFA Conference is a very rewarding and challenging learning experience that gives the members an insight into the magnitude of the FFA organization. Every student is sure to walk away from this conference with a positive attitude, many new friends, and the desire to reach their highest aspirations.

#### **National FFA Convention**

Date: October 2020

Location: Indianapolis, Indiana

This is the largest youth conference in the world, with student members and representatives from every state in the union numbering over 55,000 participants. Activities include tours, motivational speakers, the national career show, and the national finals career development events and proficiency awards.

#### Leadership Development Events

Public Speaking Competitions play an integral role in the leadership portion of the FFA Organization. Regardless of whether or not students choose to pursue an agricultural career, the confidence and maturity that are acquired with each experience speaking in front of a crowd will be an invaluable asset to their professional lives. Each speaking competition introduces a new style of speech, and therefore, teaches an entirely new lesson.

#### **Opening & Closing Ceremonies**

**Coach: All Advisors** 

#### **Creed Speaking**

#### Coach: Mr. Luis Guerra & Mr. Michael Guerra

The Creed Speaking LDE is for FFA members in grades seventh, eighth, and ninth. They must present the FFA Creed from memory and answer questions about its meaning and purpose. The event boosts self-confidence and develops their ability to communicate in a powerful, professional manner.

#### **Impromptu Speaking**

#### Coach: Mr. Clemente Ayon

The purpose of the Impromptu Public Speaking Career Development Event is to foster and develop the speaking abilities of FFA members as well as develop their self-confidence and contribute to their advancement in inter-personal skill attainment and leadership development.

#### **Job Interview**

#### Coach: Ms. Flory Guerra & Mr. Marc DeBernardi

Participants in the Employment Skills (formerly Job Interview) LDE submit a resume, complete job applications and participate in mock job interviews with a panel of possible employers.

#### **Extemporaneous Public Speaking**

#### Coach: Mrs. Shannon Powell

In the Extemporaneous Public Speaking LDE, participants are given 30 minutes to deliver a speech on one of three assigned agricultural topics. Students must learn to think on their feet and develop an argument quickly and persuasively.

#### **Prepared Public Speaking**

#### Coach: Mr. Mark Powell & Ms. Kimura Yamamoto

During the Prepared Public Speaking LDE, students write and deliver a six- to eight-minute speech about a current agriculture-related topic. The speaking skills gained through this event help students excel in school, community, and career.

#### Career Development Events

(C.D.E.'s)

Career Development Events, or Judging Teams, allow members to take what they have learned in the classroom and apply them in a competitive environment.

#### **Agriculture Mechanics**

#### Coach: Mr. Luis Guerra

The agricultural mechanics event seeks to effectively prepare the students for the expectations of the agricultural mechanics workplace. Workers seeking careers in agricultural mechanics must not only develop a high degree of knowledge and skill they must also develop the ability to solve difficult problems. This event blends the testing of manipulative skills and knowledge required for careers in fabrication and construction.

#### **Agriculture Welding**

#### Coach: Mrs. Melissa Flory-Guerra

The agriculture welding contest seeks to evaluate the students manipulative skills, general knowledge and professional presentation as these correlate to his/her preparation for employment in the broad field of welding (agricultural, industrial, or other).

#### **Best Informed Greenhand**

#### Coach: Ms. Kimura Yamamoto

The objective of the Best Informed Greenhand contest is to understand the aims, purposes, history, and structure of the Local, State, and National FFA student organizations and know the opportunities it makes available as referenced in the current National FFA Manual and State Constitution.

#### Farm Power & Machinery

#### Coach: Mr. Luis Guerra

The Farm Power and Machinery Career Development Event competition allows students identify parts and farm equipment machinery, take a general knowledge test, troubleshoot tractors, and drive heavy machinery through an obstetrical course. This contest gives students the skills needed to either go work on a farm or to become a heavy equipment operator.

#### **Floriculture**

#### Coach: Ms. Sara Araujo

The Floriculture Career Development Event seeks to effectively prepare students for the expectations of the agricultural floral industry. The students seeking careers in the floricultural field must not only develop a high degree of knowledge and skill, they must also use critical thinking and oral communication skills. They will be able to demonstrate quality evaluation by judging potted foliage plants, cut flowers, flowering potted plants, and floral design classes. The students will identify the many cut flowers, potted plants, and tools and materials commonly used in the floral industry. Students will also construct a corsage and floral arrangement according to the floral industry standards.

#### **Fruit Tree Pruning**

#### Coach: Mr. Michael Guerra

The Fruit Tree Pruning event seeks to effectively prepare the students to learn current agriculture pomology practices and procedures used in today's industry. Workers seeking careers in agriculture must not only develop a high degree of knowledge and skill, they must also develop the ability to solve difficult problems. This event blends the testing of manipulative skills and knowledge required for careers in agriculture production.

#### **Light Horse Evaluation**

#### Coach: Ms. Kimura Yamamoto

The contest requires the students to evaluate and judge four classes of halter horses, based on conformation and two performance classes. They then give four sets of reasons individually and orally to a judge, defending their placings. Students build confidence and critical thinking skills through oral reasons.

#### Milk Quality & Dairy Foods

#### Coach: Mr. Mark Powell

The focus of this Career Development Event is on achievement of high-quality raw milk, federal milk marketing orders and attributes of selected products of milk. The goal is to enhance learning activities related to milk quality, federal milk marketing, attributes of milk products and substitutes for them.

#### **Nursery Landscape**

#### Coach: Mr. Michael Guerra

The Nursery/Landscape contest prepares students for careers in the nursery and landscaping. Topics include plant identification, plant physiology, soil science, plant reproduction, and nursery production, as well as landscaping design, installation, and maintenance.

#### **Parliamentary Procedure**

#### Coach: Ms. Kimura Yamamoto & Mrs. Melissa Flory-Guerra

The purpose of this contest is to encourage students to learn to effectively participate in a business meeting and to assist in the development of their leadership skills. It is similar to a debate team.

#### **Poultry Evaluation**

#### Coach: Mrs. Amanda Rodriguez

The poultry Career Development Event seeks to effectively prepare the students for jobs in the poultry workforce. Workers seeking careers in poultry must develop a high degree of knowledge and must develop the ability to solve problems in the poultry industry. The contest blends practical hands-on experiences with a basic knowledge of the poultry industry required for careers in the poultry field.

#### **Soil & Land Evaluation**

#### Coach: Mr. Marc DeBernardi

The land event seeks to effectively make students aware of the value of soils in production agriculture, environment and society. Teams shall consist of three or four members. The scores of the three highest team members shall be used for the team score. All team members are eligible for individual awards.

#### **Vegetable Crops**

#### Coach: Mrs. Shannon Powell

The purpose of the Vegetable Crop Judging Contest is to create interest and promote understanding in the vegetable crop industry by providing opportunities for recognition through the demonstration of skills and proficiencies. It is the intention of the contest to provide a venue for students to explore career opportunities, skills and proficiencies in the vegetable crop industry. The emphasis of this contest is to promote critical thinking, evaluation, oral and identification skills.

#### **Veterinary Science**

#### Coach: Mr. Clemente Ayon

The Veterinary Science event seeks to effectively prepare the students for the expectations of the animal health care and services (Veterinary Hospitals/Clinics, Grooming Facilities, Pet Stores, Kennels/Boarding Facilities, and Feed Stores) workplace. Workers seeking careers in the animal health care field must develop a high degree of knowledge, skill and ability to solve difficult problems. This event blends the testing of skills and knowledge required for careers in the animal science career pathway.

# Supervised Agricultural Experiences (S.A.E.'s)

A Supervised Agriculture Experience is a learning by doing process. Through it, agriculture students reinforce learning by applying skills and knowledge acquired in class and shop by means of an ownership and/or non-ownership project through FFA activities. Some Examples of an SAE are livestock and crop production and outside welding or construction projects. Agriculture students may benefit in a variety of ways while participating in an SAE.

- 1. The Development of record bookkeeping skills.
- 2. The understanding of the economic forces of the marketplace.
- 3. Entrepreneurship.
- 4. The development of stronger job-related skills.
- 5. The opportunity to gain further knowledge.
- 6. The opportunity to intensely explore the students chosen career path.
- 7. Provides the chance for personal recognition through the FFA Awards Program.

An S.A.E. project is supervised by an FFA Advisor. The advisor is there for guidance and knowledge and is not responsible for the project. The student has full responsibility in the upkeep of the project. There are endless possibilities for projects that you can do. It is up you to find the right one for yourself.

For example, if you wanted to be part owner in growing a Chapter oat hay project you would first need to gain knowledge about the time and effort it would take to have a successful hay project. You would need to be experienced using and maintaining tractors and other farming equipment probably the most important thing to be aware of would be the actual crop itself and knowing how to care for it to the point of harvest. Finally, you would need skills in marketing your product (in this case it would be advertising and selling the hay.)
